Evesham Rural North Safer Neighbourhood Team (SNT)

Eveshamrn.snt@westmercia.pnn.police.uk

About your team

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in West Mercia safe. Thanks to an investment in mobile tablet style computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you contact us - in person (on the street, at community bases and at partners and communities together [PACT] meetings), on the phone or online.

Where we work

Evesham Rural North SNT is based at Evesham Station, we work around the areas of Bickmarsh, Bretforton, Cleeve Prior, Honeybourne, Littleton's, Offenham, Pebworth, Ullington.
