NEW MOTIONS FOR COUNCIL CONSIDERATION

095 The **Council resolved** to support planning application 19.00140.OUT with further comments to be posted on the WDC website. These comments are to focus on the well being of the community as whole and the support of the parish for the development as evidenced by the results of the Neighbourhood Plan CP11 consultation. 70% of parishioners responded with 90% in favour of some form of development on the Traveller Site. Additionally, two public meetings were held by the developer on 11.03.15 & 01.04.19. An informal show of hands vote was taken during each meeting and the results were overwhelmingly in favour of development.

ACTION: Clerk to draft comments.

096 The **Council resolved** to submit comments to the Planning Inspectorate regarding Planning Appeal APP.H1840.W.19.3223189 (WDC app# 18.01692.FUL). The comments will reiterate what has already been stated in the original comments and in full support of the WDC Conservation Officer's original comments. The proposed application is outside the development boundary and WDC has its current 5 year land supply. Additionally, the protected views in the Conservation Area would be negatively impacted by the development. **ACTION: Clerk to draft comments.**

097 The meeting closed at 8:00pm.
