

County Councillor Report – Cleeve Prior
Month: July 2021
Prepared by Alastair Adams
Littletons Division, Worcestershire County Council

Worcestershire County Council is delighted to receive a Government grant for £1.5 million to provide free school meals and activities and support families over the summer holidays.

This funding will enable Ready, Steady, Worcestershire to launch an exciting range of summer activities, with meals, for disadvantaged children across the county.

Ready, Steady, Worcestershire is a Council service which provides information about food, activities and support available to families and children during the school holidays. This help is available to families with children from nursery and primary ages, through to older children and teenagers.

The booking system will be going live early in July, but to register your interest in a place for a child on this summer's programme, please visit this link: [Register interest summer activities with meals](#)
